I do not think Panchama boys who undergo
education only upto the primary standard require
any encouragement in the shape of free food
free clothing &c. For them it is sufficient only
to provide free education. For those who go upto
the secondary standard free boarding &c may
be necessary. From the pay of the headmaster,
I do not think that the standard of instruction
in the school is beyond the primary stage. In
these circumstances I do not consider large
expenditure justifiable in feeding & clothing Panchama
boys. The Panchamas in Mysore are not very
poor & I have seen Panchama boys & girls coming
to school & studying as day scholars in
schools founded by private enterprise. When

I visited the school in Oct last & was favourably impressed with the lines on which it was being worked. I believe the boys have all passed the primary standard of instruction & are being trained for the lower Secondary Exam - If I am not mistaken some have also passed the Kanarese & S Exam.

In order to emphasise habits of cleanliness &c it is desirable & necessary to provide the boys with

From

To

Secretary to the Government of His Highness the
Maharaja of Mysore Departments of Education & Agriculture

SIR

I have the honour to submit herewith an estimate of expenditure for the year 1914-15 in connection with the Central Panchama Boarding School Mysore. The amounts under different items of expenditure have been put down after careful consideration of the needs of the School as they are at present in consultation with the Managing Committee of the Boarding School. The total cost amounts to Rs 4848/- The excess of Rs 848/- over and above the present grant of Rs 4 000/- is owing to the expenditure required for the Industrial Section of the School. As the school is still in an experimental stage I request that Government may be pleased to continue for a year more the concession of treating the total grant as a lump grant to be adjusted according to the needs without further sanction of Government on the conditions similar to those

laid down in Government Order No.1359-60/Edn 38-13-2 of the 1st
August 1913 Care will, however, be taken not to incur more
